There will be a family game night at St. John's campus this Friday Night from 6 - 9 pm for SJC students and their families. Younger siblings are allowed to come with parental supervision. We will have board games, an open gym, and the ever-popular student v. parent jeopardy game! Staff are not only welcomed, but encouraged to join in the fun! Pizza and other concessions will be available. Bring in your favorite board game make an evening out of it. Beware, I have seen some pretty intense Scrabble, Yahtzee, and Chess competitions!

Sweetser School Based Counselor Services:

Our Sweetser school-based clinician, Jennifer Metzger is now available Fridays to collaborate with school personnel and families.

Counseling services can help reduce the barriers to school success that confront children and adolescents with social, emotional or behavioral challenges, or are at risk. If you feel that your son or daughter would benefit from individual, family and groups therapy in the natural setting of the school, please contact Mr. Houghton for a confidential referral at 942-0955.

The Attic

The Attic is moving in January! We are relocating to 54 Cumberland Street. Please keep us in mind when you are going through your closets and cabinets, as we have a larger space to fill.

We are in need of volunteers for Saturday shifts. You can sign up by [clicking here](#) or contacting either campus office.
